

## LERC holds 40<sup>th</sup> Executive Committee Meeting

The 40th Executive Committee Meeting of the LPG Equipment Research Centre (LERC), Bangalore, saw participation from key officials, including Mr K Sailendra, ED (LPG), Indian Oil & Chairman of the Committee; Mr Dhruv Kapil, ED (LPG), HPCL; Mr T V Pandian, ED (LPG), BPCL; Mr Sidharth Agarwal, ED & SH, KASO, and senior officials from the three oil companies. Mr T D Sabu, CEO, LERC, presented the highlights of the past year, ongoing projects, and upcoming plans. Discussions focused on newly launched products, advanced laboratory facilities, financial performance, and LPG equipment testing activities. The committee also reviewed LERC's recent infrastructural developments and inaugurated newly constructed facilities. LERC is a joint venture of IndianOil, HPCL, and BPCL, dealing with the research, development, and testing of LPG-related equipment. (TD Sabu, CEO, LERC)

**Two day Training Program (05.06.2025 to 06.06.2025) for OMC Officers on Testing and Inspection of LPG Equipments at LERC , Bangalore**

LPG Equipment Research Centre (LERC), Bangalore conducted a two-day Training Program on 05.06.2025-06.06.2025. The program covered the various testing protocols and test requirements of cylinders , valves, regulators and other consumables for a batch of around 19 OMC officers from IOCL, BPCL & HPCL Plants. The training was the 14<sup>th</sup> in a series of programs targeted at increasing the technical knowledge of LPG officers of OMCs to enable them to control the quality requirements at a better level.

CEO- LERC, Shri T D Sabu began the session with a brief presentation. The various research and development activities at LERC were also discussed. Sh Jayaprakash D M made a detailed presentation on testing of LPG Cylinders , SC Valves and DPR. On 2<sup>nd</sup> day, Sh Santosh Kumar Gupta, Chief Manager presented the details on testing of Suraksha Hose, TES, Safety Caps, O-Rings. Subsequently, Sh Bhuvaneshwari M, Manager presented details on testing of LPG Stoves.

The queries raised by the participants during each of the training sessions were replied to their satisfaction by CEO-LERC and his team. The feedback from the officers were discussed in detail and certificates also awarded.
